

Mount Olive Lutheran Preschool Tuition Payment Options

Dear Parents,

Thank you for enrolling your child at Mount Olive Lutheran Preschool. For your convenience we are offering three tuition payment options for you to consider. The three options are described below. We would encourage you to consider options 1 or 2 if possible for convenience and ease of record keeping. Please select the option that works best for you and return this form to us at or before preschool orientation in late August so that we can make the appropriate plans for you. If you prefer, you may e-mail your choice to mountolivepreschool@hotmail.com as an alternative.

Name of Child _____

() Option 1: The Whole Year Prepayment (3% discount)

Pay tuition for the entire year in one lump sum. You will receive a 3% discount on tuition and will not have to worry about monthly payments. Payment is due on orientation day in August, 2017

Four-year-old Program:	\$1,440.45
Three-year-old Program:	\$1,134.90

() Option 2: Monthly Payment using Automatic Withdrawal

Tuition payments are automatically deducted from your checking account on the first on each month starting in September. This option guarantees that your tuition is always paid on time and saves you the trouble of writing out a check each month. Fill out the Automatic Tuition Payment form, attach a canceled check and send it in with that form. Please be sure to have it in **by Orientation Day**. The first payment is deducted on September 1st, 2017 and the last payment is May 1st, 2018

() Option 3: Standard Monthly Payment.

Send in or deliver your payment by the fifteenth of each month prior. For example, September's tuition is due August 15th and you last payment will be April 15th. Reminder coupon sheets are available on our website www.mountolivepreschool.com/preschool.

If you have any questions about the options, please feel free to contact us at 952-445-2872 or by e-mail at mountolivepreschool@hotmail.com.
